# Horizontal Slatted Timber Garage Doors

The natural look of our contemporary horizontal slatted timber doors have a timeless appeal, while ensuring rugged weatherability and strength over a long period of time. Simple and light to operate, these will compliment the design of almost any home.

## Features

- Standard sectional overhead doors consist of 5 hinged panel sections per door.
- Our horizontal slatted timber doors are manufactured from first grade Saligna Meranti hardwood tongue and groove slats.
- All our timber doors are treated with 2 coats of water repellent, fungal resistant, clear colour oil-based wood preservative. We recommend that a further coat be applied within 2 weeks of installation and thereafter at least twice annually.

## Benefits

- Customise your look with a choice of 2 horizontal slat sizes (+/- 95mm & +/- 120mm)
- White wood primer option also available
- Quality hardware
- Smooth and quiet operation

## Standard Opening Sizes Available:

Single	2440mm (W) x 2130mm (H)
Double	4880mm (W) x 2130mm (H)
Single Caravan	2440mm (W) x 2550mm (H)
Double Caravan	4880mm (W) x 2550mm (H)

Custom Sizes can be manufactured on request
